My volunteer work

August 26, 2023

Alice Lee

One day, my friend Eric called me. He said, "I want to join a volunteer activity with you. Let's go and clean White Beach next Sunday." I didn't want to get up early in the morning. However, I want to try something new. So, I decided to join him.

We went to White Beach at six in the morning. There were about 10 volunteers for the volunteer work. We started by picking up cans, plastic bottles and so on. I was surprised to see a lot of garbage. A woman said to me, "This is terrible, isn't it? I hope our volunteer work makes things better." I agreed with her. Her words changed my mind.

After we cleaned the beach, I felt happy. Volunteer work is not only for other people but also for myself. It makes us feel like we're helpful, and we can meet new people. I would like to do volunteer work again. Why don't you join us next year?
